</table></td><td>Credential requiement for similar nature of work in Part A, B and C is based on 80% of SOR quantity in single order, 50% in two orders, 40% in three orders. However, Part A of SOR is comprising of 20mm- 3481 mtr and 125mm - 2100 mtr both but credential required has been mentioned as 125mm - 4465 mtr in single order, which is actually exceeding the SOR quantity of 125mm by more than 100%. Hence, we request you to kindly revise the credential requirement to 2100 x 80% = 1680 mtr for 125mm and 3481 x 80% = 2785 mtr for 20mm in single order and similar calculations for 2 /3 orders.</td><td>Tender Condition Prevails</td></tr>
